No. Fl. 7598-Ex. 96-27, dated 14th April 1928 and the Excise Laws and Rules now in force or which may from time to time be passed by the Government or the Excise Commissioner by virtue of the powers delegated to him.

BHADRAVATI DIVISION.

RESALE AND SALE OF TIMBER.

Notification dated 5th June 1928.

The timber of the defaulting purchasers of previous sales held on 19th December 1927, 19th March 1928 and 22nd May 1928, at the Tarikere Depot will be resold by public auction under the following conditions at the following depots by the District Forest Officer, Bhadravati Division, or any other Gazetted Officer deputed by him for the purpose (from 8-30 to 12 A.M.), on the date noted against each:—

Name of depot	Description of timber		Date of sale	Remarks
	Teak	Total		
Tarikere Depot ...	Teak rafters	...	27th June 1928 ...	8 to 12 noon

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

(*a*) In the case of purchasers of timber in small quantities, full value thereof will be accepted, if tendered on the spot, and the payment of deposit in such cases will not be insisted.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case is subject to confirmation by the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay up the full sale amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer, for the unsold wood and the amount still due from him which will be recovered as arrears of Land Revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for on the sale date in full. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

Ordinarily no extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date, interest will be charged therein at 9 per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the Depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

12. (a) Along with the above resales, the following quantities of fresh timber will also be sold, subject to the above conditions:—

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (i) produces a certificate from the Amildar of the taluk in which he resides in regard to his solvency and its extent or an exchange certificate as provided in clause 5 and (ii) deposits also with the officer holding the sale a sum of Rs. 200 which must be in the form of cash or currency notes.

5. This exchange certificate shall be delivered to the officer conducting the sale, in case the party named therein happens to be the highest bidder obtaining in lieu thereof, if he wishes a fresh exchange certificate for his use. The exchange certificate will contain all the particulars found in the Amildar's certificate with the details of purchase made in the sales of other divisions as well as in the one, in which the exchange certificate is sought for. Such losses will be recoverable as an arrear of land revenue.

8. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party.

9. Within fifteen days of the intimation of the confirmation of the sale the successful bidder shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer, on a stamped paper of proper value, procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount, whichever is less, for the due fulfilment of the conditions of the contract in the shape of Government Savings Bank deposit.

In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled and the right resold, the defaulter being liable for any deficit in the three-fourths of the original sale amount. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Regulation or any other law in force for the time being.

N.B.—The solvency and the respectability of the sureties should be proved to the satisfaction of the Deputy Commissioner and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

(*g*) The lessee or sub-lessee shall provide printed licenses and passes in triplicate for the collection and for the export of the produce under his signature. In the latter case, each cart-load must be covered by a pass. These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer on the day on which the license or pass is issued. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove, out of the limits of the taluk before the 30th June 1930, all the produce collected and sorted under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee nor his employees shall enter the State Forests either before sunrise or after sunset.

(*k*) No collection of the minor forest produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised right of inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the village Amarai as detailed in para 1 above.

(*n*) No damage will be caused to the trees while collecting the minor forest produce; any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold himself responsible for the acts of his agents or servants in the business of collection and transport.

11. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the District Forest Officer or the Conservator of Forests as the case may be. In the case of mere forfeiture of the deposit amount, in part or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and resold at the risk of the original purchaser, who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.

Conditions.

(*a*) All good and sound timber passed by the respective Range Officers should be carted to the depots as noted in the annexed schedule.

One-fourth of the contracted quantity by the end of November 1928, one-half of the contracted quantity by the end of January 1929, and the remaining by the end of March 1929. Failure on the part of the contractor to cart the timber as noted above entails the forfeiture of the whole or such portion of the security as the District Forest Officer deems fit. If the carting work of the contractor is slack, and if in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations, the District Forest officer will at once cancel the contract, forfeit the security, and make other arrangements for the carting of timber.

(*d*) No timber should be removed from the forest without obtaining a passport from the Forest Range Officer or such other subordinate duly authorised by him.

(*e*) All timber, for which passports have been obtained should be delivered in the depot, at the latest within one month of the issue of such passes. Any timber not reaching the depot within the above period will be treated as lost, and the value thereof will be recovered at the depot rates from the contractor from the amount of the next bill due to him.
